# Highlights

## Kids comb

The kid-friendly comb, with rounded tips and short teeth is especially suitable for the youngest members of your family. It glides smoothly over the skin without scratching, to give a safe and pleasant haircut every time. Simply select and lock in the length you want by using the adjustable comb which provides 23 length settings from 1 to 23mm, with precisely 1mm between each length. Or you can use it without the comb for a close 0.5mm trim.

## DualCut Technology

Power through any hair type with our advanced DualCut Technology, which combines a double-sharpened cutting element with low-friction engineering. The innovative cutting element is designed to cut hair twice as fast as regular Philips clippers, with the added confidence of a robust steel guard for ultimate durability.\*

## Stainless steel blades

Self-sharpening stainless steel blades for long-lasting sharpness.

## 24 lock-in length settings

Turn the zoom wheel to simply select and lock in the length you want, with 23 length settings from 1 to 23mm, and precisely 1mm between each length. Or you can use it without the comb for a close 0.5mm trim.

## Cordless & powerful cordless use

Use the clipper corded or cordless for maximum power and freedom, with 75 minutes of cordless power after 8 hours of charging.

## Easy to clean

Simply click open the detachable head to quickly release and wash the blades.

## 5-year worldwide warranty

All of our grooming products are built to last. They come with a worldwide guarantee and worldwide voltage compatibility. Simply register your clipper on [www.philips.com/5years](http://www.philips.com/5years) to receive an additional 3 years on top of your standard 2-year Philips guarantee, giving you a 5-year worldwide warranty in total.

## Hard storage case

Your clipper comes with a reliable hard case for complete durability, to ensure it is kept in optimum condition for ultimate power and precision, time after time.
